

The DDRC promotes awareness and supports local businesses to provide career opportunities to people with developmental disabilities.

**Diversity + Inclusion is  
the formula for success!**

# Recruiting

Inclusive hiring practices allow your business to discover an untapped talent pool.

**90% of people with developmental disabilities can do as well or better at their jobs than their co-workers.**

# Talent-Matching

The DDRC can help you develop inclusive recruitment strategies to attract the right candidate.

**The DDRC matches the talents of individuals to the employer's need.**

# Onboarding

The DDRC can help create positive experiences for all.

**We help make the right  
first impression.**

# Retention

Turnover is costly in terms of lost time, missed business opportunities and consumption of internal resources required to replace an individual.

**Staff retention is 72% higher among persons with disabilities.**
